PRESENTATION FOR MONITORING ACCOUNTABILITY PANEL

MAY 1

Following the Report of the OHCHR investigation on Sri Lanka and UN Human Right council resolution, the MAP is nominated by TGTE (Transnational Government of Tamil Eelam). The MAP will provide independent monitoring, advice and recommendations, focusing on the effectiveness of accountability measures from a victim's perspective.

HEART AND STROKE FOUNDATION

BIG BIKE

JUNE 9

Cardiovascular disease is a leading cause of death for Canadian men and women. Research has shown that people of South Asian descent including the Tamil Canadian community are at greater risk of developing heart disease and stroke – and at a much earlier age – compared with other ethnic groups. In addition to supporting Heart and Stroke Foundation to develop lifesaving treatments, participating and contributing to Bike Big also raise awareness and choice of healthy lifestyle among the Canadian Tamil community as well.
